

COMMONWEALTH OF KENTUCKY  
MASON FISCAL COURT  
EXECUTIVE ORDER NO. 20-05

**AN EXECUTIVE ORDER LIFTING  
SHOPPING TO ONE ADULT  
MEMBER PER HOUSEHOLD  
AS ORIGINALLY FIRST STATED  
IN EXECUTIVE ORDER 20-03**

Pursuant to the authority of the Fiscal Court of Mason County, Kentucky, the limit of one adult shopper per household has been lifted effective immediately. Any retail stores may require shoppers to adhere to store policies as they continue to follow "Healthy-At-Work" guidelines set forth by the Governor.

It is important to remember to check individual store policy and state mandates before entering a store. While restrictions have been lifted at the local level, other jurisdictions might have similar policies in place.
